"SaneBox's email efficiency and analytics suite is incredible! It has made me significantly more effective with communication but more importantly, our team of ~100 people have gotten better/smarter/faster with email management. The Dashboard allows for game mechanics and competitiveness to drive people to efficiency!"
Jesse Pujji, CEO of Ampush

- **Folders:** # of SaneBox folders (features) in your inbox
- **Attachments:** # of attachments received
- **Emails Received:** # of emails received by the team member during the time period selected
- **% Important:** % of emails received that SaneBox identified as important to you
- **Daily Low:** Lowest number of emails you had in your inbox — Go Inbox Zero!
- **Inbox Zero Rank:** AKA the SaneBox score — tracks email efficiency among your colleagues
- **Emails Sent:** # of emails sent by the user
- **Reply Rate:** % of emails sent that received a reply
- **Reminders:** # of email reminder alerts set during a selected period
- **Hours:** Amount of hours saved by using SaneBox
- **MB:** Total size of all attachments stripped and placed in your cloud storage
